The Journal wishes to advise readers that an error was introduced during the production process of the article: **“Strategies for the Conservation and Valorization of 20th-Century War Landscapes: The Case of the Mediterranean Wall Ruins”** (DOI: 10.221625/archive-sr.v9i4.1199).

Figures 2, 3, 5, and 15 were inadvertently published with incorrect size dimensions, impacting their clarity. The online Version of Record was updated on 27 November 2025 with the corrected figures to ensure improved clarity and readability.

This correction relates exclusively to the visual presentation of the figures. No alterations have been made to the authors' data, analyses, results, or the overall scientific conclusions of the paper.

The Journal apologizes for any inconvenience this oversight may have caused.
